

AN OUTER ARTVENTURE SPACE

by Nimble Fingers, Nimble Minds

- nurturing your child's creativity through art -

On Wednesdays, 8 sessions
for N2 to K2 children

Calling all Outer Space Explorers of Edelweiss Kindergarten!

Come on board our ARTventure spaceship and discover the wonders of the Milky Way through a series of art and craft activities. You will have a blast with us. Don't miss out on this exciting journey. See you soon!

Your Artsy Travel 'Itinerary' covers:

Nursery Two

- *Make a container for trinkets in the shape of your favourite Planet
- *Create a robot collage in mixed media
- *Design a rocket name plaque for yourself

Kindergarten One

- *Draw the planets of the Solar System and use them to create a mobile
- *Design and make a movable space robot
- *Learn to make an alien spaceship

Kindergarten Two

- *Create your imaginary galaxy with soft/oil pastels, and paints
- *Design and make a portrait drawing of your space robot
- * Build a 3-D model of a futuristic spacecraft
