

Little Presenters

Public Speaking Programme

Do your kids get **NERVOUS**
and have **BUTTERFLIES** in their stomach
when making **CONVERSATION**
in front of small groups or **PUBLIC**?

Do your kids have **TROUBLE**
EXPRESSING themselves??

**OVERCOME THEIR FEAR OF SPEAKING
BY ATTENDING
OUR FUN AND INTERESTING
PROGRAMME!**

Public speaking is an important
lifelong skill to have.
The earlier children can be
exposed to it, the more
comfortable they will be
in a variety of speaking
situations.

Children from K1 and K2 will learn

- **How to easily construct a speech**
- **Techniques for controlling nervousness**
- **How body language enhances your presentation**
- **Effective delivery tools for audience engagement**
 - **The most common types of speeches**

... and more!
